A GREAT AMERICAN MAIN STREET CITY SINCE 1998

A WARM WELCOME!

Thomasville's historic downtown is a shopper's dream come true, offering 100+ unique retail and specialty shops, antique stores and restaurants. The award-winning Main Street program has spurred the rehabilitation of a number of downtown buildings and has been a catalyst for many new businesses.

Downtown Thomasville has been showered in awards and recognitions, including "Must Visit" lists in national publications and being designated as a "Great American Main Street City" in 1998.

The downtown's brick paved streets lend an old world feel to the bustling shopping and dining district, which draws visitors from all over the world. In Thomasville, taste is not only something we savor, but something built by design. You'll find menus filled with locally sourced ingredients and handmade delicacies. The unique blend of warm weather and ample farmland make Thomasville the must-visit destination for quail, wild game and fresh produce.

You are invited to enjoy the convenient, free parking and distinctive atmosphere as you shop and taste your way through downtown Thomasville.

MISSION STATEMENT

The Thomasville Main Street Program's Mission is to foster and enhance the authentic identity and historic character of downtown Thomasville. Downtown Thomasville will be a dynamic and creative city center where people want to live, aspire to work, love to play and long to return.
